To Whom It May Concern,

It is my pleasure to recommend Jeanna Dressel. I have been supervising Jeanna for the past 2 years where she flourishes daily in and out of our program. Ms. Dressel always strives to give 100% to her students and her co-workers. She is a very loyal staff member who helps out wherever she is needed.

As her position, Assistant Teacher, Jeanna is responsible for maintaining the safety and security of the students in the program. Ms. Dressel supervises children in the classroom, playground, gym, and cafeteria. She is capable of running a small group of students as well as a large group. Also, she organizes activities, games, and crafts.

There are times when Jeanna steps in and takes on additional responsibilities in the classroom in the teacher's absence. She can direct morning meeting and manage center time. In addition to that, she manages the paperwork, student attendance, and handles parent concerns. She is truly an asset to our program.

Jeanna is warm, caring, and nurturing. She genuinely cares and loves each one of the students in the program. She can always be found with a smile on her face even in the most stressful of times. Ms. Jeanna is a wonderful and energetic teacher assistant. We are truly grateful to have someone as wonderful as her as part of our program.

If there is anything else I could help you with, please do not hesitate to contact me at 732-251-0266.

Sincerely,

Sharon M. Jensen
